BENEFITS

Stylish Design
 Crafted with ultra-modern flat doors, elegant handle options and your choice of Dark or Natural Real Stainless Steel or white your fridge will be the centrepiece of your kitchen. (Options vary by model)

Energy Efficiency
 Our range has been designed to be energy efficient*, reducing your electricity usage and so helping you to care for the environment around you. (Energy ratings and running costs vary by model) *Designed to meet MEPS AS/NZS4474.

Pigeon Pair
 Westinghouse's vertical fridges and freezers can be combined in one space to give you a pigeon pair. This provides you with the maximum fresh food and freezer storage in one unit- truly the big fridge for the big family

FreshSeal Crispers
 Our FreshSeal Crispers have advanced seals, and with humidity control you get better flexibility to look after your food the right way. Our seals assist in preventing moisture loss, while the humidity control lets you provide a better environment for fresher tasting food.

SpillSafe™ Glass Shelves

Spills happen, but when they do, the world doesn't have to end. The Westinghouse SpillSafe™ glass shelves help with the mess by containing the spilt liquid to one shelf, so you have less to clean.

FlexStor Adjustable Door Bins

When life gets busy, flexibility is a life saver. That's why Westinghouse created the FlexStor system. The adjustable door bins allow for quick and easy adjustment whenever or however you need it. We make it easy to do more with your fridge.

Fingerprint Resistant Real Stainless Steel

Life can get messy, that's why we've made our Westinghouse fingerprint resistant real stainless steel easy to clean. Just one quick wipe with a damp cloth and you are mark free again.
