### BENEFITS

**Steam, our secret for delicious effortless cooking**  
Bring out natural flavours and goodness with our versatile steam functions. Steam Assist Cooking is ideal for meat, poultry and fish, ensuring an even cook from centre to surface with a crisp golden finish.

**AirFry for that perfect, healthy crunch**  
When a food craving hits, make healthier and delicious food right in your oven. Deliver all the flavour and none of the guilt. AirFry allows you to make healthier, tasty meals for the entire family right in your oven. The only oven range with AirFry.

**Ovens that clean up after themselves**  
Even cleaning up is easier with Westinghouse. Choose a PyroClean oven and with the press of a button you can keep your oven shiny and clean. The oven turns on to an extremely high temperature, turning grease and grime into ash. All you need to do is simply wipe the residue away. No nasty chemicals, no greasy mess just a sparkling clean oven with minimal effort.

**Designed for ease and safety**  
Telescopic runners are another piece of thoughtful design that makes it easy to draw racks out and safely check on your dishes during cooking.

**Just a touch for total control**  
Simple to operate with a sleek design, our full-touch electric control panel with a fully programmable timer ticks all the right boxes. With just a touch or two on the easy clean surface you'll have total control over your cooking temperatures, times and functions.

**Cooler to touch oven doors**  
Beautifully designed with Australian families in mind, the multi-layer glazing of our oven doors are cooler to the touch when the oven is hot.

Family meals made easy

With room for the family roast or a delicious dessert, our 80L capacity in our 60cm oven range gives you to make every mealtime easy and full of flavour.
